CAN WE IMPROVE OUR SAILING?

This is the time of year that your comments and views are most welcome. Our Sailing Committee along with various other Sub-Committees are actively planning for the 1998 season. Keelboat and Dinghy Club racing regattas, the Autumn League, Sail Training to mention but a few. With this in mind the waterborne activities meeting on the 25th November is your opportunity to let us know if there are any changes or improvements you might like to see. After two years of chairing the Sailing Committee, I am now standing down, but I feel I cannot let the occasion pass without thanking all the hard working members of the committee and to many other members who have helped in running the sailing activities during the year.

Remember the date:

Tue. 25th November at 20.00 hrs.

FRANCIS ENNIS

Vice Commodore
